

# Olympia Community School Admission Checklist

This checklist outlines the steps necessary to apply for admission to the Olympia Community School.

**School Tour**

Contact an Enrollment Coordinator to schedule a visit to our school. Please review the attached Tour Policy before your scheduled visit.

**Admission Application**

Complete all portions of the Admission Application and submit it along with the non-refundable Application Fee made payable to Olympia Community School. You may bring your application with you to your tour. The Application Fee is \$20.00 if paid within ten days of the school tour and \$25.00 thereafter.

**Parent Interview**

Once you have submitted your Admission Application, the Enrollment Committee will request an interview with you to discuss the goals of both your family and those of OCS. This interview offers you an opportunity to acquire additional information and to share particular goals and concerns you may have about your child.

All parts of the application process must be completed by **the last day of March** to be included in the first round of admission decisions.

Application files completed after this deadline will be considered on a case-by-case basis if openings exist. Following the interview you will be told the date by which we expect to notify applicants of admission decisions.

**Thank you for your interest in the Olympia Community School!**
