

# Kids Club

## Before and After School Program 2020/2021

OCS Kid's Club is a fun program that runs before and after every school day, including half days and conference weeks. The morning program runs from 7:00am – 9:00am and the after-school program runs from the end of the school day until 5:30pm. Weekly activities are planned to keep kids engaged during their time in Kid's Club.

Full and part time plans are available for families who need regular care. Half days and conference weeks are included in monthly plans. Break Camps are not included, and plans are not prorated or discounted for breaks or holidays. If you're family enrolls in a plan for the entire year (September through May), June is included at no extra cost for the same days included in your plan. There is a 15% sibling discount.
